

KEEP MUSIC ALIVE

IN THE P.V.U.S.D. !!

We, the undersigned, agree that all students enrolled in and attending a school in the Pajaro Valley Unified School District have a right to Music Education during the school day. We believe that Music and the other Arts should be a part of every child's core curriculum. We believe that qualified teachers and sequential curricula should be recognized as the basis for providing all students with substantive education in Music and the other Arts.

We call upon the PVUSD Board of Trustees to act responsibly: the Elementary and Secondary Education Act, also known as No Child Left Behind, not only *identifies Music as a core subject*, but *also recognizes Music Education as a mandatory component* of every public education curriculum in the United States of America.

We, the undersigned, agree that under no circumstances should the Music Program be eliminated from PVUSD schools!
